

SPOTTING WITH DORIS

There are 9 colours in the picture below. When you spot each one, tick it off on Doris's list. Then try Doris's colour sums: adding colours together is called mixing.

Doris's list:

- | | | | | |
|--|--|--|---|--|
|  red |  yellow |  dark purple |  green |  dark pink |
|  dark red |  orange |  light purple |  blue |  light pink |

Colour sums:

$$\text{yellow} + \text{blue} =$$

$$\text{yellow} + \text{red} =$$

$$\text{red} + \text{blue} =$$

$$\text{pink} + \text{blue} =$$
